

virtual
parties
and
playdates

Bespoke hosted parties
and playdates
from the Little Top team.

- ★ Children are currently missing out on a lot, but our main concern at The Little Top is their lack of social interaction with friends and peers.
- ★ We are well aware that children much prefer to play together than chat on video calls, so we are taking our fun and games online to encourage children to play and laugh together virtually.

We're taking the
fun online!

From high energy silly warmups and quizzes with one of our fabulous Little Toppers to team games and hand delivered craft packs, our virtual parties and playdates bring some playground silliness and party giggles back into your homes with groups of friends who cannot be physically together.

We know lots of groups of friends are really missing catching up, so we have taken the best bits of our smaller parties and can offer a fun and interactive playdate for 4-8 children.

Each guest can register and buy a ticket for a 30 minute fun playdate hosted by our team- fortune telling, truth or dare, a scavenger hunt and silly charades all help to bring back the giggles!

£10/ guest for a 30 minute playdate (min 4 guests)
